

2024-2025 Praxis Content Exams and Summative Assessment-Pass Rates

The Praxis exams are required for licensure in Kansas. The Kansas Teacher Work Sample (KTWS) and the Student Teacher Assessment Rating Tool (START) serve as the summative student teaching assessments for the EPP.

2024-2025 Praxis Scores

Exam	Number of Candidates		Pass Rate		Kansas Cutscore		Average Candidate Score	
	7800 series	7000 series	7800 series	7000 series	7800 series	7000 series	7800 series	7000 series
*KSDE changed exam to align with Science of Reading standards. 1 student took the new exam.								
Elementary K-6 Reading	4	1	100%	*	159	143	174	*
Elementary K-6 Math	4	1	100%	*	147	157	188	*
Elementary K-6 Science	4	1	100%	*	150	159	186	*
Elementary K-6 Soc. St.	4	1	100%	*	157	155	175	*
Music P-12	6		100%		152		168	
Biology 6-12	1		*		154		*	
Special Education: High Incidence P-12	3		100%		145		182	

*Only 1 candidate took the exam. To protect anonymity the score is not publicly posted.

Detailed data including sub-scores are reviewed by the EPP annually. This data informs continual improvement of programs.

2024-2025 Kansas Teacher Work Sample (KTWS) Scores

Candidates scoring a 1 in any subtask or lower than a 2.5 average for a task must remediate those low areas until a passing score is achieved. Based on these metrics, the minimum acceptable score is a 45.

Semester	Number of Candidates	Number Needing Remediation	Average Score
Fall 2024	6	0	56.7
Spring 2025	9	0	59.4

2024-2025 Student Teacher Assessment Rating Tool (START) Scores

For the START, there are 144 points possible. Candidates need to receive a score of 98 or higher with no scores of “1” (Not Effective) by the end of student teaching.

Semester	Number of Candidates	Average Score
Fall 2024	6	121
Spring 2025	9	114.3
